Our Mission

To share the Gospel of Jesus Christ with people serving in the United States Military and with civilians living away from their spiritual homes.

We provide spiritual and other services

- ★ through Civilian Chaplain Joshua Martin to people scattered throughout Europe
www.welseurope.org
- ★ through WELS National Civilian Chaplain Paul Ziemer and a network of 126 military contact pastors (civilian chaplains to the Military) scattered around our nation and world
- ★ through our Web-site: www.welsmilitary.net
- ★ through a ministry-by-mail and e-mail program offering sermons, devotions, prayers, etc.

Please refer Military personnel to our ministry

- ★ To connect with WELS chaplains and to receive printed spiritual resources, please refer yourself or a loved one using our online referral system: <http://military.wels.net/referralform>.
This new interactive site also allows authorized individuals to update contact information online.
