Foundations of our Faith Classes

Pastor Horn will be offering a series of classes entitled “Foundations of our Faith.” These informal classes are designed for people who are interested in learning more about the Bible and the teachings of the Lutheran Church—both members and non-members of Faith Lutheran Church. These classes give people an opportunity to examine that what our church teaches is true to the Bible. Taking the classes does not obligate you to become a member, but rather is an opportunity to study God’s Word, the Holy Bible. If you are interested in these classes, please speak with Pastor Horn or email him pastor@faithinradcliff.org Classes will begin the week after Easter.
