## ***Samson: Man's Weakness in Strength Part II: Samson's Marriage***

Last week was Samson's birth in Judges 13.  
What positive things did we see in that chapter, especially in his parents?

### **Judges 14, Verses 1-4**

How could Samson, an Israelite, be on such familiar terms with this Philistine girl in the first place?

Whose side are you on, Samson's or his parents?

Deuteronomy 7:1-4

Deuteronomy 5:16

Now look at verse 4 in our reading

What is your judgment on the whole situation?

### **Judges 14, Verses 5-9**

What does the Scripture specifically note as the source of Samson's ability to do this amazing thing?

Do you remember the Nazirite's restrictions? How is the lion a problem in that respect?

In regard to his parents, this lion, and the honey, why make note of it? See Leviticus 11:26

### **Judges 14:10-18**

In your experience, what are warning signs that you should not get too close to certain people?

Why?

Who is it about?

### **Judges 14:19-20**

What do you do when someone sort of close to you turns out to not be who you thought they were?

What words would you have for Samson at this point?

### **Judges 15:1-8**

After reading, review briefly the steps from 14:1 to this point.

How much time do you think has elapsed?
